	The President in his letter no. 834.d 9.6.09 promised to send up in consultation with the District Board a detailed scheme for the organization of a cattle Show But subsequently he reports that the scheme for awarding prizes will be similar to that sanctioned for
Amount of prizes is Rs 200 at Chunchinkatte	Chunchinkatte * though the District Board was not consulted in the matter. At Chunchinkatte the cost of the prizes is met from the District and municipal funds in equal proportions while the realizations from fees are credited to the temple fund at the place while the fees to be levied at Madduru are proposed to be credited to District funds. Moreover the number of cattle and people that are expected to assemble at Madduru is not likely to be so large as in the case of Chunchinkatte Consequently the same scale of prizes may not be suitable. Moreover the proposal to levy fees has not been placed before the District Board.
No. of Cattle assembled at Chunchinkatte during last Show is 7467 Flag V While the no expected to assemble at Madduru is only 1000. Please see sl no 3	3 Draft Submitted for orders.

With reference to Government Order No 86-S / L.R.45-08-2 of the 3rd July 1909, calling for further report regarding the organization of a cattle Show at Maddur in the Mandya Taluq, I have the honor to state that Mandya and its neighbouring Taluq of Nagamangala contain a fairly good breed of cattle, it is proposed to encourage the same and create an incentive among cattle-breeders to improve their stock, by holding an annual cattle-Show. As Maddur is situated in the centre and as it affords all the conveniences for a cattle-Show in the matter of fodder and shade, that place has been selected for the purpose. It is reported that about a thousand cattle will collect during the Rathothsavam
